Cancer-Related Fatigue (CRF)

Complex • Common • Disruptive • Unaddressed

Complex

Uniques causes and contributing factors between patients.

Common

Affects up to 95% and is serious in 30% of survivors.

Disruptive

The most disruptive & burdensome side effect in survivors.

Unaddressed

No other medical treatment services for CRF in Canada.

Cancer Fatigue Services

Personalized • Flexible • Affordable • Compassionate

Comprehensive Assessments

Getting answers: We assess all the known causes of CRF.

Setting the pace: We book & complete tests on your schedule.

Personalized Care Plan

Your care, your way: We develop & deliver a personalized CRF care plan tailored to your unique medical & life circumstances.

Comprehensive Assessments

Getting results: We work with our partners to ensure you receive & benefit from the highest quality fatigue care & support.

Following through: Our **Customer Care Team** stays in touch to ensure your needs are met & to help keep you on track.

Your care. Your way.

Accessible Fatigue Care

Care where you need it

Join us on-site or at home using a secure telemedicine platform.

Care how you need it

We help ensure you have the resources you need to complete & benefit from your CRF treatments.

Care when you need it

Expanded care schedule to support you whenever your energy & schedule require it.

Affordable Fatigue Care

Our flexible care coverage model ensures that everyone has access to the CRF assessment & treatment services they need & deserve... regardless of income.

- Our core assessment & treatment services are OHIP-covered for qualifying individuals.
- Many common CRF treatments are covered by private insurance.
- Until the Ministry & private insurers expand their coverage to include all critical CRF-related assessment & treatments, our **Compassionate Care Coverage Support** will be here to help!

Compassionate ♥
Coverage for Care

Cancer Fatigue Services

is a groundbreaking, Toronto based healthcare provider specializing in treating CRF...

...and the first program of its kind in Canada!
